**CERTIFICATION OF A SEXUALLY DANGEROUS PERSON**

(1) I, Ivonne E. Bazerman, am Chairperson of the Federal Bureau of Prisons (Bureau) Certification Review Panel, Washington, D.C. Pursuant to 28 C.F.R. § 0.97, the Director of the Bureau has delegated to me the authority to certify persons in Bureau custody as sexually dangerous, as authorized by 18 U.S.C. § 4248.

(2) Bureau records reflect the following: Inmate Daniel Travis, Register Number 07805-000, is in Bureau custody at the Federal Correctional Institution, Butner, North Carolina, in service of a 741-day parole violator term, following the revocation of his parole. His original convictions were for Possession of Cocaine, violation of the Bail Reform Act, and Prison Breach, in violation of D.C. Code §§ 33-541(d), 23-1327, and 22-2601, respectively (District of Columbia Superior Court) (Case Nos. F-1882-95B; F-7268-95AB). Inmate Travis violated parole by being convicted of Second Degree Child Sexual Abuse, in the District of Columbia Superior Court, for forcing a 14-year-old girl into a school telephone room, lifting her skirt, pulling down her underwear, placing his penis against her buttocks, and ejaculating on her buttocks (Case No. F-1793-99). His projected full-term release date is March 27, 2011.

(3) Based on a review of his Bureau records, I certify he is a sexually dangerous person as defined by 18 U.S.C. §

4247(a)(5), and sexually dangerous to others as defined by 18 U.S.C. § 4247(a)(6). My certification is based on information found in Bureau records which includes, but is not limited to, the following:

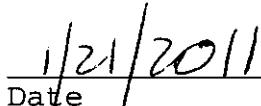

(a) He previously engaged or attempted to engage in sexually violent conduct or child molestation as evidenced by his current offense conduct. Additionally, he has prior convictions for: Taking Indecent Liberties with a Minor, in the District of Columbia Superior Court, for massaging and "humping" the buttocks of a twelve-year-old girl while in the role of her softball coach (Case No. F-3042-85); and Enticing a Minor Child, in the District of Columbia Superior Court, for luring a 12-year-old girl into a school chapel, fondling her buttocks, rubbing his penis against her buttocks, covering her mouth when the victim attempted to scream, and attempting to place his hand inside her shorts (Case No. F-5293-85);

(b) A psychological review and assessment indicated Axis I diagnoses of Paraphilia Not Otherwise Specified (Hebephilia) and Exhibitionism; Axis II diagnosis of Personality Disorder Not Otherwise Specified (Antisocial and Borderline Traits);

(c) A review and assessment of him using an actuarial risk assessment instrument (Static-99R) was conducted. This result, in addition to his current and prior offense conduct, a history of revocation or failure to meet the stipulations of conditional release, poor sexual self-regulation, and repeated efforts to gain access to minor victims through employment and volunteer activities, indicate he will have serious difficulty refraining from sexually violent conduct or child molestation if released.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.
